

Appl. No. 10/810,296  
Dated April 17, 2008

Reply to Office action of April 5, 2008

**REMARKS**

**RECEIVED  
CENTRAL FAX CENTER**

**APR 17 2008**

According to the Office action of April 5, 2008, the applicant has submitted the amended claim of this application (33 sheets including facsimile transmission cover sheet) to Examiner Jason M. Sims, Technical Center 1600 via the Center PTO Fax Center on April 10, 2008. Base on the amended claim, the paragraphs [0012], [0031]-[0042] and [0048] of the specification of this application have been amended, which results in the amended claim is fully supported by the amended specification.

According to the *Office Action Summary* issued by Primary Examiner Dr. John S. Brusca on February 20, 2007, the examiner has acknowledged that prosecution on merits is closed in accordance with the practice under *EX part Quayle*, 1935 C.D. 11, 453 O.G.213 and this application is in condition for allowance except for following formal matters: each of claims 11-18 is in improper multiple dependent form. The multiple dependent form has been amended according to the *Interview Summary* issued by Primary Examiner Dr. Lori A. Clown on August 20, 2007, wherein each of all dependent claims of the claim only references or depends from one claim.

Reply to Office action of April 5, 2008

It is unnecessary to amend further the claim of this application after the text and form of the claim have been allowed by the primary examiners of USPTO.

The US application has been over 4 years since filed March 27, 2004. The applicant appreciates it if a Notice of Allowance is issued in this case soon.

Respectfully submitted,
